TELEGRAPHIC NEWS.

Spain and the United States. NEW YORK, Nov. 29. - A double leaded editorial in the Times treats of peace as a foregone conclusion and praises what it calls the good temper and tact of Admiral Polo and Secretary Fish in having effected it. It adds: "There of Henry and Duke streets has been rented by can be no impropriety in mentioning that Admiral Polo has endeavored by all honorable means to bring about a peaceable solution without forgetting for a moment the claims of his

has agreed to the delivery to the United States Government of the steamship Virginius and all the persons remaining alive who were captured with her, leaving the question whether the seizure of the vessel was legal to be settled hereafter by a mixed tribunal. The question whether damages shall be paid to the families or relatives of the persons who was shot is also to be settled in a similar manner. This decision was not arrived at by the government before it had confidentially consulted with the powers of Europe, and was informed by all of them that reparation was due for the capture of the steamer and the execution of the cap-Judge R. H. Cockerille, member-elect of the | the opinions of leading Spanish statesmen of House of Delegates, will hold his last term of all parties to whom the question was submitted

special says: During the storm which the monitor Manhattan encountered Thursday compelling her to put back, the sea swept clean over the wheel and carrying away the log book. A leak was sprung under the turrer, through which the water poured with alarming rapidity. Commander Yates expected the monitor would and life buoys to be distributed. Subsequently the monitor became easier, but being in a leaky condition and her bilge pumps having become choked and everything and everybody drenched throughout, it was decided best to return to the Delaware breakwater and give up going to Key West. The Manhattan will probably be ordered to Philadelphia for repairs.
